High Quality With Minimum of Cost the Dominating Note of Our Line of Women's Tailored Suits

at \$25.00

Nowhere in the world is the tailored suit brought to greater perfection than in America. Washington, with its army of business women in the government departments and other lines of business, demands the best of the best, and our keen, alert business women, are consequently the best of shoppers. They demand FULL WORTH for the price. It is the highest compliment to the SUIT STORE OF KANN'S that a very large percentage of our patrons are found among the Capital City's women of business.

An average price line that has won many admirers is the one featured for tomorrow, in many attractive styles, as—

The Blouse Suit—The Redingote—The Moyen Age

Soft broadcloths, French serges, new gabardines are the most popular of materials, and the colors are the new dark, rich effects.

There are many, many new features and distinguishing little touches that have embellished these garments and mark them as the product of quality makers, though the price is but \$25.00.

Corsets First!

The new corset should come BEFORE the new gown as logically as the foundation before the building.

The new basque modes call for corseting of the most careful kind. The bust line must be exactly right for a perfect ensemble.

Kann's Improved Fitting Methods will be more valuable than ever this season.

They add nothing to the cost of your corset, but increase very much its service and comfort.

All standard brands of corsets always in stock—in all sizes.

Use Lace to Your Heart's Content

That is Dame Fashion's Dictum for Autumn

Their lavish use and the fact that we landed European selections before the war attaches more than usual importance to this wonderful exhibit ready Monday.

New beauties in scintillating, iridescent beauty of lightness and spangles.

Gold and silver laces, jet and all black effects—beautiful color combinations, flowered and striped effects in colors and tints that are indescribable and irresistible. You must see them, they are so wonderfully beautiful. Some as low as 50c yard, and from that to \$6.50 a yard; each pattern an extraordinary value at its price, and particularly so when you consider that shortly there will be a great scarcity of these beautiful effects from abroad. Let us show them to you tomorrow.
